

Council Decides Against Taking Action in Drainage Ditch Controversy

Requisition From Public School For \$14,450 Tabled — To Meet with Auditors

Council will take no part in the controversy over a drainage ditch leading from Front St. West at Annis Street across private property to a point on Frankford Road. At present much of the Armstrong lumber yard and adjoining property is flooded because of an alleged blocking of the ditch at its southern extremity.

Prior to making its decision Council heard a report from Reeve G. C. Mouck and Councillor R. Anderson on an interview with R. D. Arnott, Village Solicitor, as to the Village position in the matter. According to legal opinion the Village has no responsibility and any action taken would have to be instigated by the individuals affected.

Correspondence tabled included letters from Procter & Redfern, re claims; Department of Municipal Affairs and Unemployment Insurance Commission pointing out the extension of the Winter Work's Programme until May 31st; L.O.D.A. re fees; O.W.R.C. re adequate treatment facilities for industrial waste; Good Roads' Association, re convention; and Stirling Public School Board re annual requisition of \$14,450.

No Action

On Flasher Light

A communication from W. L. Langlois, County Engineer, re Council's request for a flasher light at the corner of Front St. and Frankford Road, pointed out that the matter had been discussed by the County Road Committee but no action taken. The letter further pointed out that the approval of the Department of Highways would be required; that no record was available of any serious accident at this point, and the Department of Highways should be asked for a survey of traffic conditions. The consensus of Council was that this was a dangerous intersection and action should not be deferred until perhaps a fatal accident occurred.

Clerk Pollock reported receipt of a cheque for \$3692.13 being part of the subsidy from the Department of Highways on expenditures on the Village streets in 1962.

The matter of joining the Lake Ontario Development Association at a cost of \$91.63 was left in abeyance, as was a request for adjustment of taxation on a Mill St. property.

Daylight Saving

On motion of Councillors G. Noble and J. Chambers Stirling will adopt daylight saving time in accordance with other municipalities.

The report of Police Chief D. M. Ketcheson was tabled and accepted on motion of Councillors Anderson and Jones.

Mrs. Gow addressed Council regarding the taxation on her Wellington St. property and was advised that any request for reduced assessment should have been made at Court of Revision.

Maurice Montgomery also waited upon Council with a complaint that surface water from Green St. ran into his garage. Various ways of overcoming the problem were discussed and Council members will visit the scene before making a decision.

Bylaw Passed

Council went into a committee of the whole on bylaws with Reeve Mouck in the chair and Bylaw No. 646, to grant exemption on farm lands of five acres or more from paying sewerage tax, was given its several readings and passed.

The following accounts were passed for payment:

Festival Time is Coming

Who benefits from a Festival? Who has benefitted from past Festivals?

Who will benefit next? It might be you.

Perhaps more than anyone, music teachers realize the value of adjudication. It is their opportunity to hear an expert's opinion and to be encouraged by approval or to amend in the light of constructive criticism. Teachers are better because their pupils participated.

The community is improved as a result of winners and losers. Each contestant endeavours to do his or her best and no training is ever lost. Interest is stimulated and like good deeds, the spirit of developing a talent becomes contagious.

The individual advantage can never be measured. Sometimes a gold medal at the right time will turn a whole course of events. One such winner said it was a toss up — if he lost, no more lessons; if he won, he would continue. He did, completing his musical training in one of the most famous schools in New York City.

Ernest Roy Carlisle Passes Suddenly

Ernest Carlisle, R.R. 3, Stirling, died suddenly Monday night in Belleville, following a heart attack suffered shortly after changing a flat tire on his car.

Born in Sidney Township, he was a son of the late Mr. and Mrs. William Carlisle and a life-long resident of the district. He was a retired farmer and in his 68th year. Fraternally he was a member of Stirling Lodge, No. 239, I.O.O.F., of which he was a Past Noble Grand. He served as secretary for a number of years and was also a Past District Deputy Grand Master of Madoc District No. 45. He was also a member of Stirling Encampment No. 80. In religion he was a member of Carmel United Church and its Board of Stewards. Possessed of a friendly disposition he was a good citizen and was held in high regard by a wide circle of friends.

He never married and is survived by four sisters, Mrs. Cecil (Rada) Bedell, Campbellford; Mrs. Joseph (Retta) Grills, of Stirling; Mrs. Roy (Nina) Neal, of Belleville; and Mrs. Charles, (Marion) Carter, of Harold, and two brothers, John, of Harold, and George, of Stirling.

An Odd Fellow memorial service, which was largely attended, was held at the Duffin Funeral Home on Wednesday evening. Practically every lodge in the district was represented. R. E. Fox, Deputy Grand Master of Ontario, was acting Noble Grand and Geo. Weaver acted as chaplain.

The funeral was held from the Duffin Funeral Home at 2 p.m. today (Thursday) to Carmel United Church for service at 2.30 p.m. Rev. P. J. Hommersen officiated.

Another contestant followed up her achievement in Stirling by receiving the highest laurels at the Peterboro Kiwanis Festival, while yet another was proud, when in recognition of her ability, she was announced the Gold Medalist at the Canadian National Exhibition, Toronto.

This past winter, those who remembered, were pleased to note that a former Star toured Ontario as soloist in the Canadian Opera Company's production of Hansel and Gretel. Others, with positions of lesser publicity, are giving of their knowledge to promote better interpretation of fine arts in school room, church, community and home. Who could ask for more?

More to follow next week.

Now we need your support!

If you have advice — share it;

If you have ability — use it;

If you have time — offer it;

If you have money — give it.

A Letter To The Editor

Dear Mr. Editor:

Recently the businessmen of Stirling were handed a tourist brochure called Hastings and Land of Lakes. This brochure is printed by the Council of the Hastings and Lakes Tourist Region No. 1 which was formed last year by joining the two tourist areas of the Highlands of Hastings and Land of Lakes.

The area is formed by Chamber of Commerce members and men appointed by Councils where no Chamber of Commerce exists. The Council is comprised of four members from each area and has a set of bylaws and meets once and sometimes twice a month.

I could go on and on explaining how this Council works and is working hard to bring tourists to this area but this would take a lot of time and space. However, I would like to point out two very important things, first, that 25,000 of these folders have been printed and handed out at the Cleveland and Toronto Sportmen's Shows.

There are three pages in this brochure about Stirling and a full business directory placed there through the funds of the Stirling Chamber of

Commerce, the Village Council and almost a page of individual business advertisements. I would like to point out that this is the first time to my knowledge that Stirling and area has been so thoroughly advertised, particularly to the tourist, and remember, this was placed directly in the hands of people who are interested in travel and spending money when they get here.

We have three large jobs to do: (1) To get the tourists to this area; (2) Have accommodation for them when they get here; (3) To learn how to meet and greet them so they will return.

Thanks for the valuable space in your paper.

Sincerely,

J. V. Holt

VOTERS OF HASTINGS-FRONTENAC

Heed the Advice of Reliable "Sounding Boards"

QUOTE FROM AN EDITORIAL FROM THE TORONTO TELEGRAM, SATURDAY, MARCH 30th, 1963

DECISION

This newspaper believes that the best interests of Canada can now be served by the election of MR. PEARSON and his LIBERAL PARTY, with an overall majority in the House of Commons

FURTHER FROM SAME EDITORIAL

Party loyalty, in an institution or an individual, is understandable and to be admired. But national loyalty must take precedence no matter how painful the parting from friends and party. The Telegram believes that the country's basic welfare is at stake and that only MR. PEARSON and his party, at this moment in the country's history, are capable of meeting the challenge.

(END OF QUOTATION)

YOUR DECISION

In the past weeks your Liberal Candidate, Wm. Shannon, has visited many friends, both Liberal and Conservative. The response to his visits has been most encouraging. He has been openly welcomed by all, both Liberal and Conservatives and assured of their support

National issues are very important -- but local considerations are also of the utmost importance

The thousands of unemployed -- The lost industries -- No new industries -- The concern of small businesses -- The plight of the farmer.

What happened to Deloro could happen to Bancroft.

Consider the following:

The problem of Bancroft -- In 1960 the Conservative Government permitted the Dyno Mine contract to leave the Bancroft area and to go to Mr Diefenbaker's own back yard, Saskatchewan.

In the near future the present contracts will be terminated and Conservative Government has not committed itself to any action to continue the mines.

Mr. Pearson has promised the Liberal Candidate that if he is elected he will invest in the future and will maintain the mines in operation and stockpile uranium until required.

The above is but an example of many local issues.

We implore you, the voters, to heed the advice of reliable editorials -- Consider the local issues -- forget party loyalty

BROILER TURKEYS

There has been a trend over the last six or seven years for the production of small turkey broilers of 10 pounds or less eviscerated weight for use in place of roasting chickens. These birds come mostly from the areas of greatest consumption, particularly Ontario and Quebec.

Turkey broilers now represent about one-fifth of the total weight of all turkeys marketed.

The Consumer Section, Canada Department of Agriculture, has been doing cooking tests on these birds and has developed what they call a "broil-bake" method of cooking. Ordinary broiling methods result in the meat drying out during cooking. In the "broil-bake" method, turkey halves and quarters are partially

cooked by broiling and finished by baking. Use turkey broilers weighing between 6 and 8 pounds for this method. You can have the turkeys cut for you by the butcher.

To "Broil-Bake"

Preheat broiler compartment — but not broiler pan — 5 minutes. Leave door ajar or closed, depending on the type of range you have. (Follow manufacturer's directions.) Brush turkey pieces with 1 cup butter or cooking oil. Sprinkle with salt, pepper and paprika. Place skin side down in a greased shallow pan without a rack so that top of turkey is 6 to 8 inches from heating unit. Broil until turkey browns, 10 to 15 minutes. Turn skin side up, brush with melted butter or cooking oil and broil until skin browns, about 5 minutes. Set oven

control at 325 degs. F. and bake until meaty parts of turkey are tender, 1 1/2 to 1 3/4 hours, basting 2 or 3 times. Total cooking time for quarter turkey is 1 1/2 to 1 3/4 hours; half turkeys take 1 1/2 to 2 hours.

To Roast Broiler Turkeys

Broiler turkeys may also be stuffed and roasted in the usual way. An 8 to 10 pound will take approximately 4 to 4 1/2 hours to roast in a moderately slow oven (325 degs. F.). Place the bird on a rack in a shallow roasting pan and brush with melted butter or cooking oil. Sprinkle with salt, pepper and paprika. Do not add water. You may cover it loosely with aluminum foil (dull side out) tucking edges into pan at ends but leaving it open at sides. If aluminum foil is used, remove near end of roasting time to finish browning bird, then baste with drippings.

To test for doneness, press thick part of drumsticks and if it feels soft, the bird is done. Also leg moves readily when you lift or twist it. If you use a meat thermometer, insert it in the thickest part of the thigh or

into centre of stuffing. When turkey is cooked, thermometer should read 190 degs. F. in thigh or 165 degs. F. in stuffing.

OF MANY THINGS

(By Ambrose Hills)

WHAT MAKES JOBS?

Economists of the American labor movement claim it takes an increase of \$40,000 in the gross national product to create one new job today. In the past (1954-56) it took only \$10,000. These statistics illustrate the grave difficulties. Somebody must put up quite a large sum of money to make each job.

Then what will make jobs for Canadians?

We could have jobs for every person willing to work hard and efficiently if we could sell the products of their labour at prices other workers, at home and abroad could pay. If a worker for an implement factory gets twice as much pay for an hour of work as a farmer gets for a similar hour, how can the farmer buy?

We have been selling more, recently, to the United States. This is due, in part, to increased sales efforts; but to a greater degree, it is because the American workers have been demanding higher wages and shorter hours. This has helped us to sell some of our manufactured products to American consumers.

Many Canadian labour leaders and workers, while demanding a share of increased productivity, now see that wages can be increased only when productivity is increased. Otherwise, jobs disappear.

Many farmers would like to employ a man or two on the farm and increase the scope of their operations. Many stores and factories would increase staff, if in so doing they could remain solvent. Countless Canadians would like homes of their own, if they cost less.

No one wants unemployment. You can't sell cars or other manufactured items to people out of work. The unemployed pay no taxes. So governments, businesses and farmers suffer

from unemployment. But governments which increase costs by heavy tax rates help to cause it; workers who do less than their best while insisting on high wages and short hours help to cause it. To some degree, nearly all of us bear some responsibility for the problem.

It therefore will require the effort of us all to solve it.

Funeral of Late Mrs. Goldie Lutes

The funeral of the late Mrs. Golden (Goldie) Lutes was held on Thursday, March 21st, 1963, at the chapel of Knox United Church, Saskatoon, Sask., at 3:30 p.m.

The deceased, who was in her 69th year, died Tuesday, March 19th in University Hospital. She had been convalescing favourably in a nursing home in Saskatoon when suddenly stricken, living only four days after her operation.

The former Goldie Rosebush, she was born at River Valley in Sidney Township and spent her early life in Stirling giving faithful service for many years as a telephone operator at the office on Front Street in the pioneer days of the Bell Telephone in Stirling.

She left Stirling in 1919 and after a short stay in Oshawa went to Saskatchewan. Here she married in 1925 and lived most of the time in Saskatoon.

Her husband, John Lutes died in 1963 and she was also predeceased by her three small sons, Edwin, John and Robert.

Surviving are four sisters, Mrs. Charles (Mabel) Conley, Miss Flossie Rosebush, Mrs. Roy (Beattie) Bush and Mrs. Philip (Gladys) Conley, of Stirling, and two brothers, Norman Rosebush, of Havelock, and Ernest Rosebush, of Stirling, and the family of the late Alice (Rosebush) Palmer, of Saskatchewan.

Mrs. Lutes was a faithful member of her church, and her minister, Rev. A. G. S. Edworthy, conducted the service. The church soloist, Mr. Lloyd Jamieson sang.

The pallbearers were three neph-

Cooking Comments

To perk up inexpensive cuts of meat, home economists at Macdonald Institute, Guelph, say to marinate them in 1 cup of french dressing for at least two hours, remove from dressing and cook.

To separate excess fat from meat drippings pour the drippings into a cup set in a pan of cold water. The fat will rise to the top and can be skimmed off easily.

Cook a few lettuce leaves with frozen peas. Use a heavy pan but no water. Cover tightly. The lettuce furnishes the necessary moisture.

A little sugar added to the cooking water for peas, corn, green beans and squash gives them a fresher flavour.

TO THE ELECTORS OF HASTINGS-FRONTENAC

The election on April 8th will be the most important election in Canadian History.

It will be an election to decide the future of Canada, and the future of all Canadians.

Is it not time that as a nation we stand up for our sovereignty, our entitlement to free speech, our right to make our own decisions?

The true facts are that never in our history has there been such development, progress and upsurge in our economy as there has been under the Diefenbaker Government.

In this campaign as in the one of June, 1962, the Liberal party has had unlimited funds for TV, radio and paper advertising. The Liberal party has everything that money can buy, but thank God regardless of wealth, you cannot buy honesty, faith, an understanding of people and humanity. These possessions come only from experience and living with the people.

OUR CANDIDATE

- A new \$2,000,000.00 addition to the Minnesota Mining Company at Havelock, Ontario.
- A new multi-million dollar expansion programme at Bethlehem Steel Company, Marmora, Ontario.
- Such undertakings are only decided upon after thorough investigation as to the future projects of business and sales. This is just another example of the faith and trust these large firms must have had in the present government and its policies.
- New Technical Trade School being built in the Riding. These schools are to give our young people the same opportunity to learn trades as they have in the city schools. The total cost of construction of these schools is paid 75% by the Federal Government and 25% by the Provincial Government. Ask the school boards who assisted them.
- **ROD WEBB** with the assistance of the people of Bancroft has kept the Uranium mines open while other mines have been closed. The Liberal party is guilty in that when they were in office they only signed short term contracts for our uranium. Hundreds and hundreds of our disabled, elderly and rural residents have for the first time been given mail delivery. This service was denied by the Liberal Government.
- **ROD WEBB** has secured employment and positions for many of the people of the Riding.
- **ROD WEBB** makes no rash promises just for the sake of vote catching.
- **ROD WEBB** travels his riding continually. He does not appear just at election time.
- **ROD WEBB** has continually held the record for attendance in the House of Commons and at Committee Meetings.
- **ROD WEBB** answers your letters the day he receives them.
- **ROD WEBB** realizes that he is a servant of the people.
- **ROD WEBB** does not ridicule the other candidates.
- **ROD WEBB** respectfully solicits your vote on April 8th.

THE BIBLE TODAY

We would like to think that \$87,000 worth of Bibles would make quite a good-sized load. Piled on top of each other it might reach to quite a height.

This amount of money represents the increase in contributions during 1962, sent by the Canadian Bible Society to The British and Foreign Bible Society, in London, England, for the world-wide task of translating, publishing and distributing the Scriptures. There are now 1,200 languages into which at least one whole book of the Bible is published.

When distributed in most of the world the cost of the Scriptures is largely borne by the Society. On an average it works out that the Society bears almost two-thirds of the total cost. In many languages the whole Bible can be produced for about \$3.00. This means it costs the Society about \$2.00 for each Bible distributed.

\$87,000 worth of Bibles would reach a height of about 240 feet, with the books piled on top of each other. This same amount would only cover an area of about 1,000 square feet, or a lot approximately 50'x20'.

Rotarians To Present Big Minstrel Show Thursday and Friday Nights

Stirling-Rawdon Jr. Band, Rotary Annes and Other Artists will be on Program

Lovers of Dixieland music and all the fun of an old-fashioned Minstrel Show are in for plenty of entertainment at Stirling Theatre on Thursday and Friday night next, April 18th and 19th, when Stirling Rotarians present the "Dark Town Follies."

The opening part of the programme will feature Stirling-Rawdon Junior Band, under the baton of Maurice Bell, in Dixieland music, followed by dance routines, choruses with solo and trio parts, and skits by coloured end men. Mrs. Harry Brown, on the piano, with Maurice Bell on the banjo, assisted by members of the Band, will provide the musical background for the various numbers.

The end men to be heard include Graham Mouck, Earl Fox, Jack Weatherall, Stu McArton, George Noble, Bob Hattion and Harold Baker, along with Rotary Annes Jessie Warren and Jean Hattion.

Don't fail to see the Twist portrayed by Misses Elaine Williams and Sandra LaChapelle and a number of Rotarians. Mesdames Jo Luery, Min. West, Zita Whitehead and Ferlie Weatherall will feature the "Mexican Hat" dance, while Carole Burgess and Ron Woodcock will exemplify the "Limbo."

The various choruses will feature solo parts by R. L. Hattion, George Noble, G. Mouck, Harry Brown, Stu McArton, Ted Reynolds, Susan West, Helen Rodgers, Ferlie Weatherall and a trio by Jo Luery, Zeta Whitehead and Marie West.

Don't fail to hear and see Rotarians Les Rawlings and Bill Webber in a fish selling skit — it's a laugh.

Make it a date — plan to attend the Minstrel Show on Thursday or Friday night. You may get your ticket from any Rotarian — there are no reserve seats.

Shamrock Factory To Open Monday

Following extensive renovations the Shamrock Cheese Factory, on Frankford Road, will open for the season on Monday next, April 15th. Ross Laine is again in charge and will be assisted by George Haggerty.

Festival Time is Coming

Adjudicators have made many favourable impressions as they have carried out their duties through the years. It is often stated that an adjudicator can make or break a festival. The Stirling Festival of Sacred Praise has been very fortunate in its choice of chief critics.

Each adjudicator, like any other individual, has an inherent interest in particular phases of talent. When the name of Horwood comes to mind, we think of a patient, inspired gentleman who hands children together from far and near in his Music Makers. Fenwick is synonymous with schools since in the Department of Education he set new standards, tempered by an understanding heart. Geen, Ouellet, Field and others are often recalled with pleasure when accounts of Glee Clubs, Minstrel Shows, Cantatas and special church music are reported. Each has left a mark.

1963 Adjudicator

Dr. Stanley Osborne, who comes for the Festival of 1963, is no stranger. He combines church, school, music, teaching and preaching. As Principal of Ontario Ladies' College, Whitby, he has an opportunity to put into practice experience he has gained through his labours in many fields. Hastings County and the Belleville Presbytery absorbed his unbounded enthusiasm as he served his first pastoral charge at Coe Hill. Music lured him to higher degrees and after the usual periods of preparation, he was found qualified to hold his present responsible position. No finer, kinder, more talented personage will

Good Friday and Easter Monday being holidays at the local Post Office, the public wickets will be open from 8 to 9 p.m. only. However, the public lobby will be open throughout the day for the convenience of boxholders. There will be no rural mail delivery.

90 Years Old

Stirling's oldest gentleman, George H. Luery, John St., will observe the 90th anniversary of his birthday on Saturday, April 13th. A former prominent merchant and Clerk of the Village for over thirty-five years, Mr. Luery is well and favourably known throughout the entire district. A host of friends join in extending congratulations and best wishes to this nonagenarian.

Survey Streets

Representatives from Procter and Redfern, consultant engineers, along with members of the Village Council, made a survey of the streets on Monday. A number of locations were found unsatisfactory and will be discussed with Lightfoot Construction, the contractor, before the final paving operations begin.

Stirling and district residents join in extending sympathy to Mrs. Harper Rollins, Mill St., in the loss of a brother, William Alexander Matthews, Harold R.R. 2, who died in a Kingston hospital on Monday. He was in his 66th year.

The funeral was held at Bennett's Funeral Home, Campbellford, on Wednesday. Interment in Burnbrae Cemetery.

District Deputy President Visits Laurel Lodge No. 211

District Deputy President Sis. Lavina Farrow, a member of Oakdale Lodge, Madoc, paid her official visit to Laurel Rebekah Lodge No. 211, on Tuesday night.

She was officially welcomed by Noble Grand Sis. Joyce Richardson and a guard of honour included Sisters Isobel Good, Marion Carter, Helen Thompson, Pat Merrill, Beverley St. Pierre and Helen Woodcock. She was also presented with a corsage by Sis. Edith Utman.

The District Deputy President delivered a very thought-provoking address on the subject "Thoughts For Easter." Following her address Sis. Ethel Duffin read an address on behalf of the officers and members of Laurel Lodge and Sis. Mabel Barlow made the presentation of an appropriate gift.

A short programme in keeping with the Easter season was convened by Sis. Hilda Rose. Sis. Annie Warren rendered a solo, "Bluebirds of Happiness," followed by a round of community singing, with Sis. Muriel Sharp as accompanist. Sis. Florence MacMullen gave a humorous reading, "How Grandfather Waited."

At the conclusion of the meeting a delicious lunch was served in the dining hall, which was suitably decorated with spring flowers, coloured Easter eggs and tiny coloured hens and chickens. The lunch was convened by Sisters Shirley Richardson and Ethel Mumby.

To Raise Funds For Community Park

A campaign is under way to raise funds for the improvement of facilities at the local Community Centre. The committee in charge are selling tickets to all who are interested in the project and hopes are that a good response will be forthcoming.

The improvements planned are landscaping, grading of ball diamond, repairs to the bleachers and an extension of the fence and retaining wall along the creek. Hopes are also entertained to instal tennis courts if sufficient money is available.

The Centre is a popular and busy spot in the summer months and those who have enjoyed the numerous ball games played there and otherwise enjoyed the facilities offered are urged to get behind the committee with both their moral and financial support.

Public School Bowling

Last Saturday morning Beth Fraser's "Buicks" and Allan Duffin's "Monarchs" won a game each, but the "Buicks" had twenty-two more pins for the odd point. Greg Dafeo's "Caddys" didn't fare so well as they lost all 5 points to Bob West's "Chevies," even though Jane Coughlan of the "Caddys" had both the high single of 209 and double of 319. Allan Duffin had a double of 290.

Rod Webb Re-Elected In Hastings-Frontenac By Large Majority

LEE GRILLS LEADS IN HASTINGS SOUTH

Service Vote to be Counted Saturday will Decide Issue — Present Majority is 71

Monday's election left the declaration of a winner in Hastings South in abeyance until the result of the service vote is known.

A record constituency vote of 85 per cent gave Lee Grills, Progressive Conservative, seeking a fourth term at Ottawa, 14,602 votes with Liberal Robert Temple receiving 14,531; a Grills' whisker margin of 71 votes.

Les Digby, New Democratic Party candidate and George Mallory, Social Credit aspirant, were never in the running. Digby polled 1,307 votes with Mallory getting 254.

Cut PC Majorities

The Liberals cut sharply into the Conservative majorities of last June throughout the entire constituency. However Mr. Temple failed to capture any more than two of the eleven polling divisions.

These were Trenton and the Royal Canadian Air Station, which upped their previous majorities by substantial amounts.

The town of Trenton swung sharply to the Liberal side, giving Temple a majority of 699 votes as compared to 291 in the last election. Temple polled 2,704 and Grills 2,005.

The RCAF ran true to its 1962 form giving Temple 558 votes to Grills 110 or a majority of 448, an increase of 102 over the last election.

In Belleville Temple got 6,739 votes of the 13,824 balloted. Mr. Grills polled 7,066 for an urban majority of 238.

In the 1962 election Conservative voters gave their representative 7,529 votes as against 5,998 for Mr. Temple or a majority of 2,531.

Up in Frankford

Mr. Grills upped his 1962 majorities in Frankford where he polled 582 votes to Temple's 417 for a margin of 165, a 17-vote gain over 1962.

The village of Tweed gave Grills 692 and Temple 685 for a Conservative majority of seven and an increase of five over the last election.

Hungerford gave Grills the largest margin polling 606 Conservative votes as against 506 for Temple, a majority of 100 and an increase of 42 over the June, 1962 elections.

Sidney Township noted a swing toward the Liberal side polling 1460 votes for Grills and 1290 for Temple, a Grills' majority of 170 as compared to 270 in the last election.

Thurlow is traditionally Conservative but here again the 1962 Grills' majority was lowered. He polled 1329 as against his opponent's 758, a majority of 570. In June last year Grills had a 628 majority.

Tyendinaga Close

The race was a close one in Tyendinaga, Grills taking the township by the slim margin of seven votes. Last election he enjoyed a 45 majority. The poll: Grills 692, Temple 685.

Deseronto staged a nip-and-tuck fight giving Grills 399 and Temple 387 for a Grills' majority of 12. This was a 32 decrease from last year's Conservative margin.

Stirling Village

The south half of Stirling clipped 2 votes from the Grills' majority of last year, giving him 168 votes and Temple 91 for a Conservative margin of 77.

Mr. Digby the NDP candidate, noted a decrease in his support over the previous election.

Social Credit failed to get a toe-hold, polling only 257 votes.

Engagement

Mr. and Mrs. Clarence West announce the engagement of their daughter, Miss Sandra Claire, to Mr. Thomas Michael Brett, son of Mr. and Mrs. Thomas Brett, Kamloops, B.C. The wedding will take place June 1st in St. Paul's United Church at 8.00 o'clock.

Final Figures Show Webb, P.C., Polled 12,321 Votes; W. Shannon, Liberal, 6,346

Hastings-Frontenac remained in the Conservative fold in Monday's federal election as Rod Webb scored an easy victory over his Liberal, N.D.P. and Social Credit opponents. Taking a lead in the first polls reported he continued to forge ahead and Wm. Shannon, his Liberal opponent, conceded his election shortly after nine o'clock.

The latest figures from the office of Returning Officer Wm. Tryon, Bancroft, give J. Elliott, N.D.P., 976 votes; R. H. James, Social Credit, 740; Shannon, Liberal, 6,346, and Webb, Progressive Conservative, 12,321. This does not include the service vote. The total number of votes cast was 20,353 out of a possible 26,202 votes. This is slightly under last year's vote when 20,878 votes were cast out of a possible 26,223.

The results in Stirling and the immediate district were as follows:

Alkenbrack Elected

In Prince Edward-Lennox it was an early close fight between Mr. Alkenbrack and Mr. Woolsey with the Lennox voters swinging slightly to the Liberal. Prince Edward returns gave Alkenbrack the boost he needed and he was re-elected by a substantial majority.

Jewett Wins in Northumberland

In Northumberland, to the west, the story was different. On her second try, Dr. Pauline Jewett won the riding for the Liberals.

General Meeting St. Paul's U.C.W.

The General meeting of St. Paul's United Church Women was held in the Sunday School room on April 2nd at 2 p.m. with a good attendance. The room was tastefully decorated in keeping with the Easter Season. Mrs. David Duffin, President, after welcoming those present opened the meeting with a reading "Easter Time."

Mrs. Robert Patterson, leader of Unit Four, conducted the devotional, opening with a Spring message which showed it was not difficult for those who live near nature to believe in the Resurrection. The hymn, "Beneath the Cross of Jesus" was sung. Mrs. Morley Ayrbart read the Scripture, after which Mrs. Alex Bush led in prayer.

Mrs. Patterson gave a thought provoking meditation on Easter, leaving with her listeners the message that Easter is a time of rejoicing, remembrance and gratitude. The God of Easter is forever coming out of the Tomb conquering evil for us. Christ recognized and accepted his mission and we must occupy ourselves with doing, not just contemplating the things of Jesus. We need not feel alone, a Fellowship of Faith unites us with Christians all over the world.

Today Jesus holds as always the troubled world in His hands.

The offering was gathered by Mrs. Ayrbart and Mrs. Bush and dedicated by Mrs. Robt. Patterson. The devotional closed with the hymn "Crown Him with Many Crowns."

The President, Vice-President and three Unit Leaders attended the "Training Day" at Halloway Street United Church, Belleville, on March 25th.

Mrs. Duffin expressed the thanks of the ladies to Mrs. Donald Williams who gave such a splendid address on Sunday morning, March 24th, in the absence of Rev. P. J. Hommersen who was taking a service in his former church at Sault Ste. Marie. She also thanked the ushers for their service. Mrs. Gilbert Finkle, Mrs. Ralph Utman, Mrs. Geo. Loshaw and Mrs. Elwood Bateman.

We are glad to report our Treasurer, Mrs. Chas. Davidson, is convalescing as well as can be expected. Mrs. Duffin gave her report and also reported 46 calls had been made by Units 4 and 5.

It is requested that all ladies who find it convenient to lend an Easter lily to the Church for Easter Sunday do so and have them at the Church by 2:30 p.m. on Saturday, April 13th. The Supply Secretary reported the layette was completed and would be going to Cross Lake Indian Reserve.

A bale will also be packed soon for overseas of good clean used clothing.

The next General meeting will be June 4th at 8 p.m.

Programme

Unit 5 provided the programme led by Mrs. Roy Bush. Their theme was "The Most Neglected Part of the Easter Story — the Cross." At this point Mrs. Glen Brooks sang "The Old Rugged Cross," accompanied by Mrs. Harold West.

Mrs. Bush had her theme divided into three parts (1) the different kinds of crosses; (2) What can the signs of the Cross do for us; (3) Flowers are so much a part of Easter.

Mrs. Jack Bush assisted in the Scripture readings. Mrs. Glen Bush gave a paper on "Christ Died For Our Sins." Mrs. Geo. Heasman read "The Legend of the Flowers." Mrs. Ernest Carr presented the study book. Love and Christianity must be shared to grow. The Christians on Asia's Rim are few but they have a tremendous contribution to make to the world.

In closing Mrs. Glen Brooks sang "The Lord's Prayer" and Mrs. Roy Bush gave the Prayer of Wisdom.

Mrs. Percy Utman thanked all those taking part and Unit 4 for the cup of tea and delicious muffins.

A donation to the Canadian Cancer Society is an investment in health and happiness.

Mrs. C. Wright Hostess To W.I.

On Wednesday afternoon the members of Stirling Women's Institute gathered at the home of Mrs. C. Wright, Emma Street. First Vice-President Mrs. F. Smith conducted the meeting, first thanking the hostess for her home; also the guest speaker.

The Secretary, Mrs. L. Bronson, called the roll with 14 on the membership roll for 1963-64.

Correspondence included notification of a luncheon at Peterborough where the newly-elected Provincial President will speak; also the senior training school. Stirling W.I. chose as first choice "Clothing" and as a second choice "Health Education."

The Treasurer, Mrs. W. C. West, gave the annual report. She also presented outstanding bills. The Auditors, Mrs. G. Mumby and Mrs. D. Luery, reported.

Mrs. B. Reid, District Director, gave the proceedings of the District Executive meeting held in Belleville recently. The members of the District Executive extended their sympathy to Stirling W.I. in the passing of a valued member, Mrs. R. Williams.

The quilt question was further discussed. Quiltings have been held in the Community Hall with a pot luck

Palmer - Broadworth Wedding Solemnized

Potted yellow chrysanthemums and ferns formed a lovely setting in Salem United Church, Harold, Ontario, on Saturday, March 23rd, for the marriage of Shirley Ann Broadworth, of Harold, Ontario, daughter of Mr. and Mrs. Ernest Broadworth, to Frederick George Palmer, of Stirling, Ontario, son of Mr. and Mrs. James Palmer. The Reverend P. J. Hommersen officiated.

The wedding music was rendered by Mr. Francis Rose, who accompanied the soloist, Mrs. Donald Rose, both of Belleville, in her rendition of the "Wedding Prayer," at the altar, and "Bless This House" during the signing of the register.

Given in marriage by her father, the bride was radiant in her street-length bridal gown of French lace, fashioned with tiny molded bodice with pleated overskirt of silk organza. She wore a crown style headpiece with fingertip veil highlighted by seed pearls, and carried a cascade of red and white carnations.

Mrs. Robert Elliott, of Kingston, was matron of honor for her sister, while Miss Doreen Elliott, of Belleville, and Miss Doreen Broadworth, of Bonarlaw, were bridesmaids. All were gowned alike in silk organza with matching shoes and headresses; the matron of honor in pink, the bridesmaids in green and yellow respectively. All carried nosegays of white 'mums tinted to match their gowns.

The little flower girl, Miss Debra Broadworth, niece of the bride, was demure and sweet in her white organza frock with turquoise headpiece, and carrying a pink basket of turquoise-tinted 'mums.

The ringbearer, Master Gary Collins, nephew of the bridegroom, was natty in his grey flannels and blue blazer with white boutonniere.

Mr. Robert Palmer, of Glencoe, Ontario, attended his brother as groomsmen, while Mr. Douglas Broadworth, of Bancroft, brother of the bride, and Mr. Richard Dunster, Toronto, cousin of the bridegroom, ushered the guests.

The reception was held at the church hall where the bride's table was appointed with white damask linen and centred by a three-tier wedding cake flanked by bouquets of pink and white carnations. The bride

bouquets completed the nuptial accent.

The guests were received by the bride's mother, attired in a brown double-knit gown, with gold accessories, and corsage of bronze and yellow 'mums. The bridegroom's mother assisted in the receiving line, gowned in mocha-colored brocade, with beige accessories, and corsage of bronze and yellow 'mums.

For the wedding trip to Toronto, London, and points west, the bride wore a three-piece red, double-knit suit with matching hat, navy and white accessories, with corsage of white carnations. Upon their return Mr. and Mrs. Palmer will reside at 214 Braidwood Ave., Peterborough, Ontario.

Guests attended from Stirling, Glencoe, Toronto, Campbellford, Eldorado, Bancroft, Peterborough, Hastings, Belleville, Lindsay, Kingston, Madoc and Gananoque, Ontario.

Prior to the wedding the bride-to-be was honoured at a surprise kitchen shower at the home of Mrs. Howard Kinnear, Belleville, with Miss Doreen Elliott as co-hostess, and a linen shower at the home of Mrs. Kenneth Sine, Harold, with Mrs. Lynda Cooney as co-hostess.

Fred was presented with a card table and chair set from a number of his former Stirling chums.

St Paul's Y.P.U.

On Monday evening St. Paul's Young People's Union held their weekly meeting. It was decided to send six delegates to a Christian Vocational Conference to be held at Queen's University, Kingston, May 3rd, 4th and 5th.

After the business a game of carpet bowling was enjoyed and lunch was served to close the meeting.

The next meeting will be held on Monday, April 22nd when the Rawdon group will be guests.

IN THE GROUP

"I told the club they were a set of blind, stupid, obstinate, unmitigated asses."

"And what did they do?"

"They made me an honorary member."

Judging by the way some stores keep their stocks, they need to erect a sign reading, "If it's to be had, we had it."

LET'S EAT MORE APPLES

The Florida fruit "freeze" this past winter has helped to point up the increasing trend among Canadians to purchase imported fruits and vegetables. For example, our per capita consumption of citrus fruits is one of the highest in the world, but our per capita consumption of apples is one of the lowest. This is hard to understand in an apple producing country like Canada. In 1960 per capita consumption in Canada of citrus fruits was about 66 pounds. This was divided almost equally between fresh fruit and juice. At the same time per capita apple consumption was only 27 pounds of which 8 pounds was consumed as juice. If we ate apples at the same rate as we do citrus fruit, it would take care of the

average Canadian crop. If we ate an apple a day, production would have to be doubled to meet the demand.

Why is it that we Canadians don't eat more apples? Surely we must be taking this faithful friend for granted! Perhaps its importance is overlooked in the maze of attractive and advertising of other products all competing for our attention. Whatever the reason, it's time for us to take another look and eat an apple every day.

Apples are good calorie investments for careful dieters. One medium-sized apple contains only about 60 calories. This not only satisfies the appetite for desserts but provides the acids and needed roughage or bulk to aid good digestion and stimulate intestinal activity. The sugar in the fruit is readily absorbed and sup-

plies the body with energy. Apples also contain some minerals and vitamins. The vitamin content varies with the variety of apple, storage conditions and the way the fruit is served. Because of their crisp texture, eating raw apples provides exercise for the jaws and at the same time helps to stimulate the gums and clean the teeth.

The apple season in Canada has been extended until May or June, thanks to modern cold storage facilities. Apples such as McIntosh, Spy and Delicious can be stored for several months longer than they used to be because of controlled atmosphere storage. When apples are taken from our modern storage plants they are as good as the day they went in. But after being in a cold temperature, they won't stay crisp and juicy very long if they aren't kept cool at home. If you have a cool room in your basement, you can keep a large quantity of apples so that you are not always running out of them. If you haven't any other place to store them than in your refrigerator, you will have to buy them more often in smaller quantities.

OF MANY THINGS

(By Ambrose Hills)

SHOULD WE SELL WHEAT TO CHINA?

Any person who discusses public affairs and forms opinions must be prepared to make some tough moral decisions. And he can never be sure that he is 100 per cent right. I have chewed on this wheat-to-China problem a good deal, and it makes tough chewing.

If I had to answer categorically, I would answer that I am in favour of selling wheat to China. I believe that country is suffering from a very real famine. If other countries refuse to sell her wheat, she may, in desperation, attempt to take it by force. If she did not resort to force, there would be more starvation.

No doubt China brought this problem on herself. She is now undertaking a back to the earth programme and re-establishing a limited form of private, market-garden farming. But it is late in the day. It will be some time before she can feed her 670 million population. To deny grain to the Chinese people because their government blundered would not make moral sense.

I also realize that China launched an unprovoked war against India. But again, this is an act of the Chinese government, and not of the people themselves. If she persists, and India is in dire danger, then I presume we would stop our shipments of grain. However, I don't think our wheat shipments are doing much more than ease the hunger of the people; I doubt that we are giving China the strength to wage its war on India.

Certainly there are other sides to this argument. The market in China is at best a temporary one. The Chinese government, once it is over the famine crisis, will use trade as a weapon against us. She will insist that we buy many products from her that we used to buy from Japan — a country much more likely to be a long-term customer for our production.

So it becomes one of those problems where the answer appears to be: Proceed, but with caution. Don't give trade concessions or credit arrangements that ought to be saved for customers more likely to be with us ten or fifteen years from now.

S.S. No. 3 Rawdon Holds Open House

Mrs. Grace L. Morton and the pupils of the Allan Public School, S.S. No. 3 Rawdon at Mount Pleasant, held "Open House" Friday evening for the School Section and it was almost a record attendance of parents. Brenda Williams and Brenda Campbell contributed piano music as the guests arrived.

Rev. W. G. Fletcher was master of ceremonies and spoke briefly. Miss Grace Pitman, A.T.C.M., Music Supervisor, was in charge of the piano accompaniments. The opening number was "Our Canada" and Randy Scott sang "Easter Day." An operetta, "The Three Little Pigs," was presented by seventeen pupils.

Larry Jeffs gave his competition speech, "Cleaning Our Polluted Waters" and Brenda Williams "The Development of Northern Ontario." The senior pupils sang in unison "The Waterfall" and followed with three two-part selections entitled "The Stars," "Tick-Tock" and "The Cuckoo." A record player entertained with two selections.

Mr. McDonald, Belleville, a representative of the Bell Telephone Co., showed a coloured movie film entitled "The Unchained Goddess" giving weather science. A silver collection was taken for the Junior Red Cross. The geraniums planted by the school children last August were in bloom.

There was a large display of work books, notebooks, scrapbooks, art work and maps.

The pupils assisted by the wives of the trustees served refreshments. Appreciative thanks was tendered for a delightful evening.

1963 Official Ontario Road Map Available

The 1963 edition of the Official Road Map of Ontario is now available for general distribution. Highways Minister Charles S. MacNaughton has announced.

The new map, completely revised and up-dated, contains several improvements over those of previous years.

The more effective use of colour is one of the most striking new features. The background on former maps has been in a pale yellow, whereas the 1963 map shows the province in white — a feature which improves clarity and makes map reading easier.

The inset maps of the major cities and towns, showing main highways and streets, are larger in the new edition — another distinct improvement. The use of new modern type faces adds also to the clean appearance, as do the distinct county boundaries and the conspicuous as well as attractive boundaries of the provincial parks, forests and game preserves.

Another improvement introduced in the new map is the outline of built-up suburban areas around many cities and towns, such as Ottawa, Metropolitan Toronto, Burlington and others. Accredited hospitals throughout Ontario are indicated by a red "H".

By an improved layout of pertinent information it has been possible to reduce the over-all size of the map, but the actual scale remains the same.

The mileage tables showing distances over individual highways are now shown on a compact triangular table, showing distances between cities and major towns over the most direct routes.

Another new feature is a small-scale map of the whole province, showing the routes of the Trans-Canada Highway as well as the various multi-lane freeways.

As in previous years, the 1963 map has been designed by the Highways Department's own Cartographic Section, with the cover executed by the D.H.O. Art Section.

The new map may be obtained free of charge from any of the 18 district or regional offices of the Department of Highways, Ontario, the Head Office of the Department, or the Department of Travel and Publicity scheduled address being Parliament Buildings, Toronto. The map will also be available at any of the Tourist Reception Centres operated by the Department of Travel and Publicity scheduled to open approximately May 15th.

As a supplement to the map, the Department of Highways has published a booklet containing detailed mileage tables for all King's Highways and Secondary Highways in the province. This booklet may be obtained from the Department at a cost of \$1.00.

In response to many requests a separate map of the northern and north-western parts of Ontario is in preparation and will be released in the near future.

A Letter To The Editor

Dear Mr. Tompkins:

We, of The Canadian National Institute for the Blind, would like to take this opportunity of thanking you, on behalf of the blind in your area, for the co-operation you extended to us during White Cane Week which took place February 3rd to 9th. Without the help of such interested persons such as yourself it would be impossible for White Cane Week, or any other community project to be so successful. It is through such considerations that these programmes enable those around us to achieve higher levels of happiness and satisfaction.

Again many thanks to you in assisting us with our programme of service for the blind.

Yours truly,
D. I. McCallum,
Assistant Field Secretary

THE BIBLE TODAY

"To present the whole Bible to the whole church family is such an important task that neither the content nor the technique of communication can be taken for granted," states a recent release from the American Bible Society following a study on the place and use of the Bible.

Many books have recently come from several publishers advising people how to read the Bible, what to look for in a study of the Scriptures and pointing to the relevance of this Book to the life of today. Many denominations of the Christian Church in Canada and other lands are now encouraging a study of the Scriptures in depth.

"Because the Bible is recognized as both witness to and instrument of God's revelation of Himself to man, the Church must take care to keep the Bible an open Book, continually putting herself in position to listen and to listen again to the story it tells," is the comment in a paper released recently jointly by several denominations.

Guides and outlines for reading the Bible in a period of one, two and three years are gaining in popularity. One minister prepared a mimeographed outline for a Study of the Whole Bible in One Year. Circulation has been in the area of 1,500 copies and it is now being printed in a more permanent form by a book publisher.

You Are Safer At Home

Although the accident statistics reveal only fatalities, it would be fair to assume that more people are injured in their own homes than on the roads. The most recent statistics on home fatalities, issued in 1961 and referring to the previous year, show that 8825 Canadians died because of an accident in the home, compared with 1,166 on the roads.

In their own homes, Canadians crashed to their deaths from rocking chairs, drowned in their bathtubs, poisoned themselves by drinking floor polish and cut arteries instead of bread, to add up to this staggering 70 per cent of the road-accident fatality figure.

While we cannot statistically prove that first aid training could have saved some of these lives, the probability is very strong. Many half-drowned or suffocating children could be saved if artificial respiration were applied immediately. Youths poisoned by drinking turpentine, carelessly put into a pop bottle, could live if someone close by knew poison antidotes and administered them before the arrival of the doctor. By their very nature, accidents give no warning before they hit their victims, and your only insurance is to use natural caution and to be prepared in advance to deal with them if they injure someone in your family.

A St. John Ambulance course in First Aid, Home Nursing or Child Care, prepares you to help the sick or injured in your home. It sounds like good sense — it is good sense.

February is St. John Month in Ontario, time to take stock of your ability to save lives or help the injured in your family. Sign up for a St. John Ambulance course in first aid or home nursing.

Mrs. Berson Mitts presided over the Easter worship service using the theme "We can't be neutral toward Christ." Mrs. Alex Tanner read two passages of Scripture, Matthew 26: 6-16 and Luke 23: 39-43. Mrs. Mitts then gave the meditation. The hymn then was "Alas! and Did My Saviour Bleed?" "Alas! and Did My Saviour Bleed?" was sung. The Easter thankoffering was received and dedicated.

The members reported sending 24 cards, 4 letters and making 10 calls.

A report on the workshop which was held at Holloway Street United Church, Belleville was given by Mrs. Harry Coulter and Mrs. Harold Detlor. Members were reminded to get articles for a bazaar to the Supply Secretary Mrs. Farley Lindenfield.

Mrs. Grace Bartindale presided over the Easter programme and opened with prayer. Mrs. Farley Lindenfield read "An Easter Meditation." Mrs. Charlie Ross read "Mary." Mrs. Harold Detlor read "He Goeth Before You." Mrs. Allyn Finkle conducted the Bible study on "God the Creator." The first chapter of Genesis was read responsively. This was followed by a discussion, questions and answers.

Mrs. Coulter closed the meeting with the benediction, after which Mrs. Jonkman, assisted by Mrs. Ivan Clare, served refreshments.

Unit Four St. Paul's U.C.W. Enjoys Dessert Luncheon

The Easter meeting of Unit Four of St. Paul's United Church Women took the form of a dessert luncheon on Tuesday, April 9th. Unit leader, Mrs. Robt. Patterson, welcomed the visiting ladies from Bethel and Eggleston, also Mrs. A. Packman who is presently visiting friends in Stirling and vicinity.

After the singing of Grace a birthday cake was brought in and "Happy Birthday" sung for several who were celebrating their birthdays.

Much appreciation was felt for the beautiful Spring flowers that were in evidence. An Easter lily donated by the Horticultural Society was greatly admired.

Business was dealt with briefly. The Supply Secretary again reminded us of the bazaar of used clothing to be packed in May. The Unit has received cancer dressings and all are asked to convene on Thursday afternoon to fold them. Mrs. Philip and Mrs. C. Tucker are the visitors for April.

The May meeting will be in charge of Mrs. W. Camm, and the June meeting in charge of Mrs. V. Richardson.

Mrs. Patterson then turned the meeting over to Mrs. R. Duffin who read an appropriate selection on the three shadows of the crosses. This was followed by prayer and the Lord's Prayer in unison. The Scripture, chosen was from the 19th chapter of John's Gospel, after which "The Voice

of the Cross" was read by Mrs. W. Camm.

The Easter thankoffering was dedicated by the singing of the Doxology.

Mrs. Harold West and Mrs. Robert Hulin favoured with a duet "O Sacred Spot." They were accompanied by Mrs. Wm. Heath at the piano.

Guest Speaker

Mrs. David Duffin introduced the guest speaker, Mrs. Maurice Clancy who chose as her subject "What Easter Means To Us." Mrs. Clancy brought out the contrast between being a Christian on Palm Sunday when Jesus triumphed and being a Christian on Good Friday when his enemies had done their worst. She also pointed out that we stress the Spring cleaning of our houses but would it not be the ideal time to houseclean our souls? Stress was laid upon the beauty of love. Important as is the quality of sculpture and painting, the service of love that goes into the life in the home is much more important.

The highlight of the address was an Easter story telling how a pot of lilies was passed from one hospital patient to another until it finally arrived back at the room from which it started. God's business is Love and we can all be His apprentices.

Grateful thanks to the speaker was voiced by Mrs. Hommersen and a gift presented by Mrs. R. Duffin. Further thanks and appreciation to all who had helped to make the afternoon both interesting and inspiring were given by Mrs. V. Richardson.

Wellman's U.C.W.

Mrs. Douglas Clancy was hostess to the ladies of Wellman's United Church Women on Tuesday, April 2nd. There were 12 adults and three children in attendance.

Mrs. Frederick Beckett, 1st Vice-President, was in charge of the meeting. Mrs. Craig Watson was the acting musician. The U.C.W. theme hymn was sung, followed by the Lord's Prayer.

The worship service prepared by Mrs. Beckett began with Mrs. Beckett reading verses based on the Resurrection of Jesus. The hymn, "We sing the Praise of Jesus Who Died,"

was sung. Mrs. Clifford Clancy read from the 24th chapter of Luke, verses 1 to 27. Mrs. Beckett commented on this passage of Scripture and led in prayer. The hymn, "Take Up Thy Cross, the Saviour Said," was sung.

The roll call, a Bible verse containing the word "Hope" was well answered. The collection was taken and dedicated by Mrs. Beckett. The minutes were read by the Secretary, Mrs. Kenneth Tompkins. Mrs. Tompkins also gave a report from the Official Board meeting.

Mrs. Keith Clancy gave a reading, "Rejoice." Mrs. Craig Watson contributed a piano solo consisting of a medley of Easter numbers. Mrs. Alfred Akins gave a reading "Believe."

Mrs. Byron Seeley gave the chapter from the study book with details on Okinawa and Ryukyu. The topic touched on the climate, description of the land surface, the people, the economy of the country, transportation and religious movements. Early there were Catholic and a few other religious leaders, but the first Protestant was from a Hungarian family. In 1887 missionaries began coming in. Then there was a lull, but there was a revival of missionary work in 1945. In 1948 there was the first husband and wife team. These were followed by others and by 1951 there were 7 churches. There have been more since, mostly related to the United Church. There are now some broad-casting stations. The Christian growth is still very slow.

Mrs. Beckett put on a contest of questions on the Bible. She then thanked everyone taking part in the programme and the hostess for her hospitality. Mrs. Beckett pronounced the benediction.

Dainty refreshments were served by the hostess and her assistants and all enjoyed a social half hour.

Douglas James Kane and Jean Anne Tompkins Exchange Marriage Vows

Baskets of spring flowers and ferns made an appropriate setting for the double ring wedding at Wellman's United Church on Saturday, April 13th, of Jean Anne, second daughter of Mr. and Mrs. Kenneth Tompkins, of Harold, to Mr. Douglas James Kane, only son of Mr. and Mrs. John Kane, Stirling. The guest pews were designated with white bows. Rev. W. G. Fletcher officiated at the ceremony.

The wedding music was played by Mrs. Craig Watson. The soloist, Mrs. James Pollock, sang "Give Me Your Hand," before the ceremony and "Wedding Prayer" during the signing of the register.

The bride, given in marriage by her father, was radiant in her full length gown of white nylon over taffeta, fashioned with fitted bodice with round neckline and a full skirt of unpressed plaits. A floral design of beads and sequins extended down the plain panel in front. The finger-tip veil of silk tulle was held in place with a halo decorated with pearls and beads similar to those on the dress. Her only jewellery was a single strand of pearls and she carried a cascade bouquet of red roses.

Mrs. Kenneth Rose, sister of the bride, was maid of honour. Miss Eleanor Bush, sister of the groom, and Miss Nancy Tompkins, sister of the bride, were bridesmaids.

The attendants were similarly attired in emerald green, waltz length dresses of pique de sole, the skirts being full with a cross plaited panel in front. The bodices were plain with short sleeves and round necklines. They wore matching mitts and head-dresses designed with rosettes and hair-length veils. They too wore single strands of pearls and carried nosegays of white 'mums with centres of red roses.

The flower girl, little Miss Sharilyn Farrell, niece of the groom, was daintily attired in white nylon with matching accessories and wore a white fur cape. She carried a basket of white 'mums and red roses.

Mr. Peter Heasman, Oakville, cousin of the groom, attended the groom. Mr. Kenneth Rose, Elora, and Mr. Dennis Heasman, Stirling, were the ushers.

Following the ceremony about 100 guests attended the reception at Mount Pleasant Hall. The three-tiered wedding cake centered the bride's table. Tall white candles and the bridal bouquets completed the table decorations.

The bride's mother received wearing a three-piece beige dress with gold coloured hat and gloves and wore a corsage of Talianman roses. The groom's mother assisted, attired in a gown of turquoise organza over

Festival Time is Coming

Through the columns of the News-Argus, interested readers have been reminded that the 1963 Festival is fast approaching. Various items of information and several phases of procedure have been presented with no mention of finances. Even a government sells its platform before economics enter the picture and like a government, successful festivals require careful collection and disposition of funds.

Time has brought many changes. Sympathetic adjudicators collected merely an expense account in the early stages but growth has latterly demanded their services as many as three days instead of one. No qualified person can spare the required hours without adequate remuneration. Awards have become more costly and general expenses have continued to increase.

Entry fees have remained the same. It has been the consensus of the Board that the lack of money should never eliminate a worthy contestant

and in order to span the gap sponsors have been sought. The response has been splendid but in the last year or two, it has not been good enough. In short, a larger subsidy is needed — or more smaller ones. Any amount is acceptable, none too small, none too large. Groups or organizations in the Village and neighbouring communities are invited to participate, as well as individuals.

This is your opportunity to assist in a tangible way. Will you accept the challenge to provide encouragement as contestants compete in the rendition of Sacred Songs and the recitation of Holy Scriptures?

More to follow next week.

Now we need your support!

If you have advice — share it;
If you have ability — use it;
If you have time — offer it;
If you have money — give it.

Send all contributions to the Stirling Festival of Sacred Praise through Helen Armstrong or Audrey Elliott.

Letter To Editor

Dear Mr. Tompkins:

The volunteer men and women of St. John Ambulance have reason to be grateful to your paper for the generous amount of space which you gave to bring the image of St. John before the public during the month of February.

Without such co-operation from the news media St. John Ambulance would be financially handicapped in its service to the people of Ontario, and many thousands would be unaware of the beneficial, often life saving, courses provided by St. John in Home Nursing, First Aid, Child Care and Artificial Respiration.

Please accept our most sincere thanks.

Yours very truly,
R. E. Merry,
Campaign Chairman

Tips On Safe Spring Boating

All of us who enjoy boating and fishing welcome the spring season. But boats are often out on the water before the ice is completely gone from bays and shorelines. And the water is ice cold. So take extra precautions — more people are drowned from boats in Ontario during the month of May than any other month in the year.

First of all — be sure your boat, motor and safety equipment are in good, useable condition.

And don't overload. At this time of the year it's a good idea to cut your usual summer load in half. An overloaded boat is easily swamped or capsized — ice cold water plus heavy clothing is usually a fatal combination.

Here is the Ontario Safety League's boating tip for the month of May:

Cut your load in half and always wear a Government Approved life jacket.

Inventions in this old world are coming so fast that the ladder to success may soon be replaced by an escalator.

Two Dead In Crash Near Tweed

A two-car, head-on collision on Highway No. 37, three miles south of Tweed Saturday night, killed a young man and woman, both of that district.

Dead are, Harold Carleton, 19, of Thomasburg, lone occupant of one car, and Donna Rogers, 20, wife of the second driver, from Sulphide. George Rogers, 21, suffered multiple injuries and is described as "serious" in Belleville General Hospital.

Men's Ten Pin
Bowling League

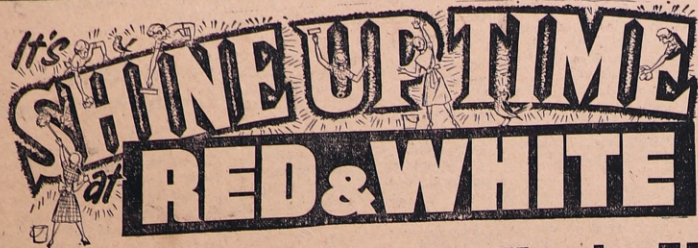

This week Don McCrory's team won two games for 5 points, while Ralph Scea's team got only one game, but also total pinfall for 3 points.

Ralph Scea beat Bill Blakeley's high game of the season by 19 pins to take the high single with 209 and high triple for the night with 464. The only other 300 triple was Don McCrory with 404.

Public School
Bowling

The games last Saturday morning were rather one-sided with Greg Dafoe's "Caddys" taking all 5 points from Both Fraser's "Buicks" and Allan Duffin's "Monarchs" doing likewise to Bob West's "Chevies."

Robert Cooke had both the high single of 209 and double of 375. Greg Dafoe and Jane Coughlan were next in line with doubles of 289 and 288.

LEGION NOTES

President Allan Lawes has announced plans for the forthcoming Branch Church Parade on Sunday, April 21st. On this date, the Stirling Branch of the Royal Canadian Legion will attend the morning worship services of St. Paul's United Church, Stirling. It is expected that the members of the Robert Cooke Chapter of the I.O.D.E. will join the Legion on this occasion.

The Legion will fall in at the Community Hall at 10:15 a.m. on Sunday, April 21st. All members are urged to attend this important parade. Dress will be berets and medals. It is expected that the Stirling-Rawdon Junior Band will head the parade. Prior to attending the church service at St. Paul's, the parade will pay their respects at the local cenotaph.

Plans are under way for the annual Fireworks Display to be held at the local Fair Grounds on Monday, May 22nd. The Legion are again planning an outstanding show for this first holiday of the summer season. One or two major surprises are being arranged and it is hoped that announcement of these can be made in the very near future. At present, work is progressing on plans to again canvass the village and surrounding district for funds to aid in the presentation of this popular show. More details will be announced in next week's issue of the News-Argus.

Branch membership is coming along quite well, although there are still a number of members from last year who are not yet in good standing. It is expected that these members will make every effort to renew their membership at the earliest possible time. We again appeal to all members to urge other veterans of this area to become members of the Royal Canadian Legion. The Branch is expected to show a six per cent increase in

membership during 1963, and it will take the efforts of all members to reach this figure. Anyone who is interested in more information is asked to contact Membership Chairman Doug Patterson.

Several members of Branch No. 228 journeyed to Belleville recently to take part in the initiation ceremony staged by the host organization. The local representatives report that the event was a great success. It is through an inter-change of comradeship such as this that the Legion derives much of its strength. It is to be hoped that more of our membership will participate in like events in the future.

Elsewhere in this newspaper will appear an announcement to the effect that the Legion Service Bureau Officer will visit Stirling in the near future. This affords all veterans and their dependents the opportunity to avail themselves of free assistance in any matter concerning their welfare. Anyone who has problems or who wishes to discuss a matter concerning Veterans Legislation is welcome to do so. Persons interested in this forthcoming visit of the Service Officer should contact Mr. Ray Tanner for an appointment.

With the forthcoming visit of the Legion Service Bureau Officer, we would like to point out that this is another of the many services provided by the Legion. It costs the Legion a great deal of money to provide such a service free to anyone who may have problems pertaining to Veterans Legislation. The service is not restricted to members only. In fact, it is a proven fact that more non-members avail themselves of the Service Bureau than members. Regardless of who may seek assistance, the Legion is proud and pleased to make this possible. It does afford another very good reason for membership in this great veterans' organization.

Members are once again advised of the important Legion Church Parade on Sunday, April 21st. Fall in at the Community Hall at 10:15 a.m. Dress will be berets and medals. Can we count on you to be with your comrades on this important day?

PROCESSED APPLE PRODUCTS

About one-third of our Canadian apple crop is now being canned, frozen, dried or made into juice. At this time of year, apple products are a good buy and are convenient and time savers as well. The apples are ready to use with no peeling and no waste. The Consumer Section, Canada Department of Agriculture gives us information as to the various apple products on the market. They point out that the largest amount of processed apples go into apple juice and apple juice concentrate. The next largest amount goes into canned apples.

Solid Pack Apples are graded like other canned fruits in order of quality — Canada Fancy, Canada Choice and Canada Standard. The apples are peeled, cored, cut into segments and partially pre-cooked before processing so as to allow packing with the minimum amount of liquid. They are packed without sugar or water so that when you buy a can of solid pack apples you are buying only apples. They are available to the consumer in 15, 20, 28 and 48 fluid ounce sizes — 105 fluid ounce cans are used mostly by bakeries and restaurants. A 20-oz. can of solid pack apples will hold about 2½ cups apples and is just

right for an 8-inch pie; a 28-ounce can holds enough for a 9-inch pie.

Apple Pie Filling is the name which applies to a complete thickened pie filling with a definite amount of apple and sugar in each can. It is available in the same size cans as solid pack apples.

Apple Sauce is graded in order of quality — Canada Fancy, Canada Choice and Canada Standard and is available in the same size cans as canned apples. It is prepared from sound, mature apples which are peeled, cored and trimmed and may be packed with or without water, salt or sugar. Canned apple sauce is handy to have on hand as a quick supper dessert, or to serve with roast pork, or as topping for a hot gingerbread.

Dried Apples are apple rings or segments of peeled, cored apples from which the greater portion of moisture has been removed. They are graded in order of quality as Canada Fancy, Canada Choice and Canada Standard and are sold by weight.

Frozen Apples are frozen slices of peeled, cored apples. They are graded in order of quality as Canada Fancy and Canada Choice and are sold sweetened, in consumer packages of 15 ounces net weight and 2 pounds and over, or unsweetened in packages of 11 and 20 ounces net weight and 2

pounds and over.

Apple Juice is a pure fruit juice and one for which there are definite standards for Vitamin C. Practically all apple juice now on the market has Vitamin C added. It must contain 35 mgms. for every 100 c.c. of juice (about 3¼ ozs.). Apple juice is sold in sizes ranging from 6 to 105 fluid ounces. The most common sizes sold are 20 and 48 fluid ounces. The grades are Canada Fancy and Canada Choice. Concentrated apple juice has the same standards and grade names as pure apple juice on the basis of the juice being reconstituted according to directions on the label.

Apple Party Pie — Line a 9-inch pie plate with pastry, then empty a 28-ounce can of solid pack apples into a bowl, ½ cup sugar and 2 to 3 tablespoons of small red cinnamon candies. Mix well and pile this on the bottom crust. Cover the fruit with a lattice top made out of strips of pastry and bake in a hot oven (425 degs. F.) about 40 minutes or until crust is golden brown. The red candies give a delicate, cinnamon flavour and they add a nice pink colour too.

Quick Applesauce Dessert — Dissolve a package of lemon jelly powder in ¼ cups of boiling water. Chill and when partially set, beat until foamy. Add one 20-ounce can of applesauce (2½ cups). Pour into a moistened mold or pile lightly in sherbet dishes. Chill. Serve with cream if desired. Serves six.

Apple-Honey Sherbet — Combine 2½ cups sieved applesauce (or one 20-oz. can) with ½ cup white honey, a few grains of salt and 2 tablespoons of sugar. Beat 2 egg whites until stiff

and add 2 more tablespoons sugar. Gradually, beat until mixture stands in peaks and fold into the applesauce mixture. Freeze in refrigerator tray. Serves six.

OF MANY THINGS

(By Ambrose Hills)

TEACH THAT LIFE IS SHORT

My children find school a real delight. They learn a great deal, too. I have tremendous admiration for their teachers. However, I have one complaint.

It seems to me that our children shouldn't be given such a beautiful Pollyannish view of life. They ought to be taught . . . it ought even to be drummed into them . . . that they are going to die soon, that death waits inevitably, and stands pretty close at all times.

What, after all, is the difference between us and the animals? We know that we are going to die; they are unaware of it.

With good luck a youngster in Grade One has 70 Junes to go. Think of it, only 70 beautiful months of June. Or, if he ever wants to go down to Kew in lilac time, he has only 70 Aprils in which to get it done. There are 100 pennies in a dollar, and you know how fast they go! Like an ice cream cone melting on a warm, eager tongue.

There are many of us who will never quite catch on to all this until we die in a hospital bed with tubes down our gullets, or an oxygen mask

helping us puff out another sick breath or two, with loved ones standing by. That's when we will look up and wish we could say some of the good things we ought to have said about how we love them; but we never realized how fast it was going. So we live our lives like zombies, half alive, half aware, as if Junes and Julys came in carload lots and never ran out.

So let us change our education; let us teach the facts of life and death early, while there is time. And for those of us who didn't get that word, those with only a dozen or so Junes to go, let's wake up and use them — all of them.

I don't know about you, Buster, but I am going out and expand these cramped lungs — and maybe get a bit of wind in my hair, too, while I still have some hair!

Barn of Allan B. McComb and Livestock Burned

Fire starting on the drive floor level of the structure completely destroyed the large frame barn on the farm of Allan B. McComb, 3rd Concession of Sidney Township, early Sunday afternoon.

Fifteen head of young cattle were lost in the blaze, but Mr. McComb and neighbours managed to drive about 30 head, 20 of them milkers, from the blazing barn before it was unsafe to re-enter the building.

The McComb family is well known for its pure bred Holstein cattle.

Cooking Comments

Food experts at Macdonald Institute, Guelph, say that baking powder containers should always be recovered immediately after measurements are made to prevent moisture in the air from combining with the powder and causing deterioration.

When making a puffy soufflé food experts suggest that after putting the mixture in a casserole to bake you make a circle around the edge about an inch deep with the bowl of a spoon held vertically. This will help the soufflé to rise higher in the centre and look attractive.

It is important to use the right sized pan for a light, fine-textured cake. Too large a pan will make a cake pale, flat and shrunken, whereas, too small a pan makes the cake overflow giving a coarse texture.

If the label of the baking powder can says it is double-acting, use only 1½ teaspoons in place of 2 teaspoons of the regular type. The double-acting type is particularly desirable if the batter or dough is to be held a while before baking.

The General Motors Technical Centre has a wind tunnel for automobiles and trucks which is designed to generate an air stream ranging from 20 to 100 miles an hour — from a "strong" wind to a blast of hurricane force.

CONSERVATION NEWS

Permit Required To Keep Certain Animals and Birds in Captivity

From time to time we hear of persons having an animal or bird retained in some manner in captivity unbeknown to them that a permit is required by law. This permit in the form of a Licence to Propagate Game or Licence to Keep Game in Captivity is available from any District Office of the Department of Lands and Forests, free of charge. It does not give permission to capture wild native animals and actually the animal remains as property of the Crown. Other regulations restrict the bartering, selling or donating of any animal.

Non-migratory game birds (birds native to Ontario that stay the year round and include the ring-necked pheasant and all hawks and owls) come under this same regulation.

Migratory game birds such as ducks and geese, and migratory non-game birds such as birds that live principally on insects or shore birds and water dwelling birds are protected by the Migratory Birds Convention Act. Anyone having such a bird must obtain a permit from the Department of Northern Affairs and National Resources in Ottawa.

For simplicity it is much easier to

list the birds that are not protected by any Act, such as crows, cow birds, black birds, starlings and house sparrows. This is also worth knowing when applying for a summer gun licence.

Woodchucks (ground-hogs) and porcupines are the only animals not protected by the Game and Fisheries Act and are therefore the only animals one may shoot under the authority of the summer gun licence. However, a person may destroy any animal (except those belonging to the deer family) on his own land in defence or preservation of his property.

Spring Care Needed For Healthy Lawn

Work can commence on your lawn as soon as the snow has melted and the ground is dry say horticulturists with the Ontario Department of Agriculture. The following suggestions will help encourage early growth of your grass.

Spring raking should be done very lightly, removing dead leaves, twigs and other debris. It is better to use a leaf broom or wooden rake than a heavy steel rake. Do not rake all the dead grass out, it will soon rot and disappear adding a little humus to the soil.

Rolling firms the ground around the grass roots, after freezing and thawing of winter has heaved the soil and left the surface loose and uneven. Rolling helps level the surface and thus facilitates uniform mowing by

taking out the bumps and prevents scalping which is unavoidable on an uneven surface. The condition of the soil determines when rolling should be done. If the soil is too wet it causes packing and loss of good soil structure, and if it is too dry the purposes of rolling are not accomplished. One rolling early in the spring usually suffices for the year.

Your first fertilizer application should be put on just before active growth begins. Special turf fertilizers are most suitable for lawns. There is little danger of burning when fertilizer is applied before growth commences.

New Grants For County Assessment Commissioners

The County Councils of Ontario may now make application for a grant of \$2,500.00 towards the salary of an assessment commissioner, according to a new regulation issued recently by Honourable J. W. Spooner, Minister of the Ontario Department of Municipal Affairs.

As an added help the Minister may approve up to 50% of the cost for office equipment required by any county assessment commissioner.

Mr. Spooner said "We are very much interested in helping the counties solve their assessment problems by sharing the burden of the inevitable costs. Our county councillors are becoming more and more aware of the urgent need for more equitable assessment procedures."

The new regulations go into effect immediately.

THE BIBLE TODAY

Prime Minister Jawaharlal Nehru of India said recently that he reads the Christian Scriptures. He expressed genuine appreciation of the Bible as a source of comfort and strength.

Presented with a copy of the Bible in his government office in New Delhi, he asked the General Secretary of the Bible Society of India and Ceylon, Dr. A. E. Inbanathan, whether a certain Bible depot was still in existence. "I used to pass it every day on the way to school when I was a little boy," explained the Prime Minister.

Mr. Nehru commended the Bible Society for the faithful service it has rendered to India and her people for so many years.

"Christianity is as much a religion of the Indian soil as any other religion of India," he told his parliament.

Scripture circulation has reached a new peak in India. A total of 3,585,000 copies were distributed in 1962, an increase of nearly 800,000 over the previous year.

The Ontario Safety League reminds drivers — if you do not keep back from the car ahead at least one car length for every 10 m.p.h. of speed, you are in a vulnerable position if the driver in front brakes sharply. And the other thing to bear in mind, whenever you see a crosswalk sign ahead, is that cars often do brake sharply at crosswalks.

Two Charged With Robbery

Two men are charged with armed robbery following a flight through bushlands and the robbery of a general store of merchandise, several guns and about \$200 in cash.

Ontario Provincial Police arrested Thomas J. Derushie, 36, of no fixed address, and Wayne R. Brown, 27, of Peterborough, after a general store-keeper at Cooper, 10 miles north of Madoc, was held up at shotgun point, bound and robbed.

The robbery Friday night occurred at the general store of Albert Fox.

Food Council

A bold new approach to farm marketing and the handling of food products is proposed in legislation introduced to the 26th Parliament of Ontario by Agriculture Minister Wm. A. Stewart. It provides for the establishment of a Food Council representing the four major groups concerned in the production and marketing of food — farmers or primary producers, processors, distributors and consumers. The Food Council will have at least five members and its terms of reference are quite broad, including powers to investigate any matter relating to the production, processing, distribution and handling of any agricultural or agricultural food product.

This unique concept recognizes that four important segments are involved in the production and marketing of food, and brings them together around the same table for the first time. It will include persons actively engaged in producing, processing and distributing food products, as well as representatives of those who consume them. The Food Council will have four main sections; for fresh and processed fruits and vegetables, dairy and poultry products, meats, and finally, a section for cereal products.

While introducing this new legislation, Agriculture Minister Stewart pointed out that many farm leaders had considered a Food Council a vital step toward solution of some of the basic problems facing agriculture today. He paid special tribute to M. M. "Bobby" Robins of the Ontario Fruit and Vegetable Growers Association for his leadership. "Processors, too, are an integral part of today's food industry," said Mr. Stewart. "Their inclusion on the Council should provide them with benefits of the producers' opinions, the consumers' tastes and

the distributors' requirements. Realistic consultation between these groups can be most effective instrument in developing policies which will serve the best interests of not only the farmer or primary producer but the general public as well."

The Minister also said the Food Council with its wide representation, and broad powers should be able to come to grips with the vexing problem of vertical integration. It will have the power to investigate trade practices which may be considered undesirable and could solve some of the merchandising and marketing problems that are detrimental to the food industry.

"The agricultural and food industry affects the economic welfare of every Ontario citizen," concluded Mr. Stewart. "We must ensure that every step is taken to strengthen the industry, not weaken it. Much credit is due everyone concerned, from the farmer to the retailer, but we are convinced that providing a common meeting ground for these people and the consumer will eliminate trade practices and merchandising techniques not in the best interests of our economy."

There are 1,300 births in Canada a day, on the average, and better than nine out of ten occur in hospital.

The guests were invited to the bride's home to view the gifts.

Following the reception the happy couple left mid showers of confetti for a trip to Detroit and other western points. For travelling the bride chose a red wool knitted suit with white hat and gloves, black shoes and purse. She wore a corsage of white carnations.

Guests attended from Hamilton, Toronto, Frankford, Arlington and Harrison, New Jersey; Warkworth, Stirling, Belleville, Campbellford, Oshawa, Trenton, St. Catharines, Lindsay, Madoc and Bannockburn. A cousin from England was in attendance.

The young couple will take up residence at 1202 Brimley Road, Scarborough.

Prior to her marriage the bride was honoured by a shower at the home of Miss Carol Beckett. The home was decorated with a specially decorated chair for the bride. A short program and contests were enjoyed. Each person attending wrote a note in the guest book. Miss Shirley Cotten read the address and many beautiful gifts were presented to the bride. Festival Time is Coming

When the Stirling Festival of Sacred Praise was first visualized, consideration was given for those who have a talent for expressing in word the beauty of the Holy Scriptures. Favourite passages have been chosen over the years and the results have been very rewarding. Reading, Memory Work and Story have each played an important part and the highlight of the festival on occasion has been the unusual presentation of familiar lines.

Realizing the need for fuller recognition and more encouragement in this field, Mrs. Burton Morton provided a suitable picture for annual competition. It is given to the church attaining the highest average mark for a minimum of five entries in the Biblical selections and is a coveted treasure among contestants of all ages.

The 1963 adjudicator for this section comes highly recommended. He made his initial appearance in Stirling at St. Paul's anniversary services in 1962 when he received hearty approval as a preacher. The Festival Board was delighted that he accepted their invitation for a return engagement as an adjudicator. Professor R. G. Green, M.A., B.D., D.Th., is a New-foundlander by birth, coming to Ontario in 1955 and serving the Brighton Pastoral Charge. Upon completion of his Doctor's degree, he was appointed to Queen's University, Kingston, as Professor of Homiletics, which in lay-

man's language, is the Art of Preaching. Such ability, personality and qualifications are evidence of a great man.

More to follow next week.

Now we need your support!
If you have advice — share it;
If you have ability — use it;
If you have time — offer it;
If you have money — give it.

Send all contributions to the Stirling Festival of Sacred Praise through Helen Armstrong or Audrey Elliott.

Manly Macdonald's Paintings on Exhibit At Spring Fair

Once again, members of the Belleville and District University Women's Club are busily planning their annual Spring Fair. On this occasion, the club is pleased to present, in addition to tea and a sale of home baking, an exhibit of Manly Macdonald paintings. Over the years, this exhibit has proven so widely popular that over four hundred guests are expected, some from as far as London, Kingston, Peterborough and Toronto.

Mr. Macdonald's generous donation of one of his paintings as a draw prize at the Fair makes it possible for the University Women's Club to present two scholarships of three hundred dollars each, to girls graduating from the Belleville and district high schools who plan to attend university in the fall.

Mr. Macdonald, who was born in Point Anne, lives there several months of the year. He is a graduate of the Albright Art School, Boston, of the Boston Museum School of Fine Arts, and of the Ontario College of Art. He is an associate of the Royal Canadian Academy, and of the Ontario Society of Artists. Paintings by Mr. Macdonald hang in the National Gallery in Ottawa.

His work has a particular appeal for all in this district, for he paints the country we all know and love.

Grills -- Sharp Wedding Solemnized

A very pretty Easter wedding took place at St. Andrew's Presbyterian Church, Campbellford, on Saturday, April 13th at 2:30 o'clock, when the Rev. A. E. Toombs united in a double ring ceremony Velda Iona Sharp, youngest daughter of Mr. and Mrs. Donald A. Sharp, Campbellford, to Charles Herbert Grills, only son of Mr. and Mrs. Bruce Grills, Campbellford. The church was beautifully decorated with white Easter lilies for the occasion.

During the gathering of the guests, who were ushered by Douglas Sharp, Campbellford, and Aubrey Sharp, of Gilmour, brothers of the bride, Mrs. Ward Archer, organist, rendered several pieces of wedding music.

The bride entered the church to the strains of "Praise My Soul, the King of Heaven," and was given in marriage by her father. The bride looked charming in a white matelasse Italian brocade floor-length gown with overskirt, forming a chapel train. The bodice featured long lily-point sleeves and scalloped neckline. She wore a heart-shaped diamond set necklace which was the bridegroom's gift. Her veil was waist length, silk net with matching lace and her headdress a crown of seed pearls. She carried a bouquet in fanshape of red roses.

The matron of honour was the bride's sister, Mrs. Harry Bradley, wearing a nile green brocade taffeta gown with overskirt, elbow length gloves and headdress to match. She carried a fan of green and white 'mums.

The bridesmaids were Miss Rose Anne Douglas, of Crookston, cousin of the bride, and Miss Karen Grills, of Campbellford, cousin of the bridegroom. The bridesmaids' gowns and accessories were the same as the maid of honour's.

The groomsmen were Mr. Robert Millen, of Peterborough.
Little Misses Susan and Lynn Bradley, nieces of the bride, were flower girls, dressed in mauve and white flock nylon over taffeta with matching headdresses, and carrying baskets of mauve and white 'mums.

The ring-bearer was Master Gary Sharp, nephew of the bride, natty in his white flannel trousers and navy blue blazer. He carried the rings on a white satin heart-shaped pillow.

The Choralian Choir, of 16 members, under the direction of Mrs. Allen G.

Watson, wearing long mauve broad-edged taffeta dresses, sang before the bride entered the church "The Lord is My Shepherd" and during the signing of the register "O Perfect Love" and for the recessional the "Trumpet Tune" and Purcell's "Air."

The bride's mother received in a pink coloured dress with a dark brown accessories and corsage of bronze 'mums.

She was assisted by the bridegroom's mother, wearing a dusty rose brocade dress with pink fur stole and corsage of pink roses.

The reception was held in the basement of the church.
Mr. Ansell Taylor, of Peterborough, was master of ceremonies. The Rev. A. E. Toombs, the Rev. Gordon Whitehorn and the Rev. Earl Wannamaker spoke briefly.

Guests were present from Thomasburg, Stirling, Colborne, Frankford, Trenton, Toronto, Peterborough, Gilmour and Campbellford.

Men's Bowling

Well, one more evening of bowling and the 1962-63 season will be just a memory; but a very pleasant one for most of us. The race for top score in the last quarter will be a very close one. With just one more set of games to roll the Legion and Six-R-Dees teams are tied with 16 points each, and Ray Poste's Odds and Ends are close behind with 14 points. All three teams will be against heavy opposition next week, so they'd better be on their toes. And I hope for the grand finale that all the team members will be present to back their team to the hilt.

This week, being a school holiday, a couple of our bowling teachers were absent, and it was sorely felt by their teams. Bruce Hemmerick's team, the Bolows, scored a big fat zero for the first time this season. And the Six-R-Dees could have sure used Doug Harris' score in their fight for top score in the last quarter.

However, some good games were rolled. C. White took the weekly high single and high triple with scores of 194, 257 and 343, totalling 794. Other 200 and over games were: Ray Poste 256, Dick Reid 200, Al Boersma 209, J. Hannah 200, Ken Cooke 263, Bill Blakeley 221, Jack Doran 205, 203, 215, R. Williams 228, Keith Johnson 226, Bill Reid 282, Ralph Sca, 299, 249, George Noble 213, Howy Parsonson 208, Cliff Short 226 and 213 and Bob Crossman 207.

Stirling Girl Killed When Car Goes Out of Control

(Ontario-Intelligencer)

A 16-year-old girl died, another was critically injured when a small convertible automobile veered suddenly out of control and rolled on Highway 401, five miles west of Belleville on Thursday afternoon, April 18th.

Mary Ellen David, of Stirling, died in Kingston General Hospital three hours after the accident. Still in critical condition in the Kingston hospital is the driver of the car, 19-year-old Mary Anne Loucks, also of Stirling.

In Belleville General Hospital is the Loucks' girl's brother, nine-year-old Charles James Loucks.

Miss Loucks suffered severe head injuries. Charles Loucks is being treated for back injuries and scalp cuts.

Lost Control Claim

Scene of the accident was exactly two miles west of the Wallbridge Road overpass, about 2.30 p.m. The Loucks' car, a small German model, was travelling east toward the overpass. For some reason, still unknown, Miss Loucks suddenly lost control of the little convertible. The vehicle flipped at least twice, spilling the three occupants onto the highway, before halting upright in the median.

Provincial Police rushed two ambulances from Belleville to the scene. Miss David was given a preliminary examination at Belleville General Hospital, where she was found to have a fractured skull; possible broken back and numerous internal injuries.

Immediately her injuries were determined she was placed back in the ambulance and rushed to the Kingston hospital where she died shortly after being admitted.

Ranger News

On Tuesday, April 9th, the 1st Stirling Rangers met at the home of Susan West. The meeting opened with the Lord's Prayer, followed by the reading of the minutes. In the business it was decided to hold a Car Wash. Plans for the camping trip were made and various arrangements discussed. Numerous bandages were rolled for the Cancer Society, after which refreshments were served. The meeting closed with Taps.

Car Wash

On Saturday, April 13th, the Rangers held a Car Wash on the Church St. Parking Lot. Mrs. M. Bell served a delicious meal at noon. With the wonderful co-operation of so many people, the girls were able to earn a large sum of money.

Camping Trip

On Tuesday, April 16th the Rangers met at 9.15 a.m. to go on a camping trip. Mrs. H. Chambers had picked a favourable site and the tent was pitched upon arrival. Mrs. M. Bell and Mrs. R. Luery arrived for supper and the latter remained all night. Camp was broken on Wednesday afternoon. Mrs. Chambers deserves credit for all her help.

Campbellford School Boy Wins Hero's Award

On June 19th, 1960, Douglas Ellis, a twelve-year-old Grade 7 pupil of Campbellford, Ontario, helped save Paul Irwin, an eight-year-old lad from drowning in the Trent River.

Angus Todd reported the facts to the Carnegie Hero Fund Commission at Pittsburgh. After thorough investigation and consideration of "such outstanding heroism" the Commission awarded the hero a bronze medal and \$500 to be used for educational purposes.

The Carnegie people have asked Douglas to send to them his High School Progress reports as they become available as long as he is at High School. If he proves to be of university calibre there will be Carnegie money available for the courses of his choice.

A finely executed scroll was received from the Province of Ontario. The Decorations Committee of the Secretary of State at Ottawa are investigating, which likely recommendation for recognition by the Queen.

Ellis, a Presbyterian, came to the aid of Irwin, a Presbyterian! Would the head office of the Presbyterian Church at Toronto please take note?

The medal is a work of art, beautifully enclosed in a unique glass case, with base of wood.

Mary Ellen David Dies From Injuries

Miss Mary Ellen David, daughter of Mr. and Mrs. Ira David, R.R. 3 Stirling, died in Kingston General Hospital on Thursday last as a result of injuries sustained in a car accident on Highway 401 five miles west of Belleville a few hours earlier.

The late Miss David, who was sixteen, was a student at the Stirling-Rawdon District High School here and was held in high regard by a wide circle of friends. She was a member of Mount Pleasant United Church and a valued member of the Church Choir. She was a talented soloist and was heard frequently at the services in the sanctuary.

She is survived by her parents and three sisters, Miss Raye David, Toronto, and Misses Nancy and Deborah, at home.

The funeral, which was largely attended, was held in Mount Pleasant United Church, at 3.30 p.m. on Saturday, with Rev. W. G. Fletcher officiating. The officers and members of Rawdon Young People's Union sat in a body, while members of the Stirling-Rawdon District High School staff and a large number of students also attended.

During the service Donald Armstrong, of Glen Ross, rendered "Lead Me Home," with Mrs. Kenneth Weaver as accompanist.

The pallbearers were Messrs. Hugh Hoard, Paul Jeffs, Douglas Potts, Howard Jeffs, Jim Johnston and David Potts.

Interment in Glenwood Cemetery, Picton.

HONEY

Have you a sweet tooth? The average Canadian seems to have because he or she consumes about one hundred pounds of sugar each year. By comparison the amount of honey eaten, a mere 2 or 3 pounds each year, seems very small. Strangely enough this amount stays about the same year after year.

The Consumer Section, Canada Department of Agriculture has this to say about honey: "Honey today has a new look and is sold in several forms. You can buy it at any time of year in several sizes of glass jars, cardboard cartons or in tins. It sells at a reasonable price, too, when you compare it with that of good quality jams and marmalades.

It is available in granulated and liquid form and in the comb. Creamed honey, so popular as a spread, is finely crystallized, granulated honey. Most honey on the market is No. 1 grade although there are several other grades — Nos. 2, 3 and Sub-standard.

Honey comes in four colours — White, Golden, Amber and Dark. The colour does not affect the grade but is usually an indication of flavour — the darker the honey, the stronger the flavour.

Honey travels nowadays. Along with that which is locally produced, you will find honey from Eastern Canada in the West and Western honey in the East — so you can take your choice.

Make Your Own Honey-Butter Spread

A delicious spread for toast, tea biscuits or muffins is made by creaming honey and butter together. Use equal parts butter and liquid honey i.e. $\frac{1}{2}$ cup butter and $\frac{1}{2}$ cup liquid honey or you can also use $\frac{3}{4}$ to 1 cup of creamed honey to $\frac{1}{2}$ cup butter.

Honey Butter Topping

Delicious on coffee cake or hot gingerbread. To $\frac{1}{2}$ cup butter and $\frac{1}{2}$ cup honey add about 1 cup of icing sugar and a dash of vanilla.

Cooking Comments

For a delicious topping for stewed fruits or shortcakes, the Foods and Nutrition Department at Macdonald Institute, Guelph, say to try whipping a large package of cream cheese with 3 tablespoons of milk, 1 tablespoon of sugar and $\frac{1}{2}$ teaspoon of vanilla.

Add $\frac{1}{2}$ cup chopped parsley or diced green pepper for added colour and flavour to 4 servings of scrambled eggs.

Never grease the sides of a cake pan. The batter must cling to the sides in order to reach its full height.

To measure brown sugar accurately pack the sugar into the cup so firmly that it holds the shape of the cup when turned out.

J. Hommersen. One of the Easter lilies was donated by the Horticultural Society of Stirling and was much appreciated. The junior choir of 14 members sang "He Is Risen" as an anthem.

Education Display To Open County Museum

A special display on early education in the County of Hastings will highlight the opening of the Hastings County Museum, 240 Church Street, Belleville.

The museum opens at 2:00 o'clock on Saturday afternoon, May 4th and special talks on local education will be given that afternoon until 5:00 o'clock. These are illustrated talks featuring a most unusual collection of early pictures prepared by Gerald Boyce, President of the Hastings County Historical Society.

From May 4th to the middle of June, the museum will be open every Saturday and Sunday afternoon from 2 to 5. Then it will be open every day after the middle of June. A small fee is charged, and special rates and times are available for school and other groups.

In addition to the special education display, the opening will also feature a display of early textiles, early carpentry tools, historical paintings by Rev. Bowen P. Squire, of Consec, and the Couderdy Collection of fine European furniture, paintings and silver.

This promises to be one of the most outstanding displays ever seen in the Quinte district.

THE BIBLE TODAY

"Conversion in a men's prison has resulted in a real desire for Bible study," reports "The Sower," a publication of the Australian Bible Society. In a recent campaign free grants of Scriptures were made by this Society on a wide front.

Some missions in New Guinea have received free grants of Gospels. Bibles have been offered there as graduation prizes in schools. One school boy wrote: "Many thanks which you cannot count."

Gospels have been distributed by open-air workers in Perth, Australia, during the Empire Games. To replace Bibles lost in a hurricane the Australian Society sent 368 Tongan Scriptures to the Church of Tonga.

An Aboriginal Missionary Society was granted freely 1,415 copies of the Scriptures for distribution. Copies of the Filian Bible were given by the Society to a mission engaged in a poor area.

"The Sower" comments that never are these Scriptures simply 'handed out'. There is always discriminating, selective distribution.

"It is the Society's conviction that the Holy Scriptures are the means that God in His mercy, often chooses as the way to a soul's awakening," reports The Sower.

Carmel U.C.W.

The April meeting of Carmel United Church Women was held at the home of Mrs. Douglas Pyear on Thursday afternoon.

The President, Mrs. Harold Johnston, opened the meeting with the theme hymn and an Easter reading. Mrs. Gerald Grills read the Easter Scripture lesson and Mrs. John Grills gave the lesson thoughts and prayer. Rev. P. J. Hommersen dealt with the fourth chapter of "The Word and the Way."

Mrs. John Grills and Mrs. Lillie Morris were the programme conveners. Mrs. Joe Grills and Miss Sharon Grills gave readings. Mrs. Harry Brown accompanied the hymns with her piano accompaniment and also played a number on the programme.

The hostess served refreshments and appreciation was expressed.

Kites and Power Lines Don't Mix

Kite flying and power lines are a fatal combination, if the string happens to be wet or has a metallic thread running through it.

The Ontario Safety League offers a hint to save kite flyers from the shock of their lives. Fly kites in dry weather using cotton string only, and keep well away from overhead wires. Tangling with a high-voltage line will send current down a damp or metallic string and electrocute the kite flyer instantly.

OF MANY THINGS

(By Ambrose Hills)

DON'T STOP THE WORLD — I WANT TO STAY ON!

The Broadway show, "Stop the World," is an indication of the cynicism gripping too many of us. There is quite a little army of cynics devoted to persuading us that life is a mess, the proletariat gets a terrible kicking around, and it is a lousy world.

These cynics knock everything popular with the people. For example, they have a burning hatred for television programmes such as Father Knows Best. If the theme of a drama or story is that honesty is the best policy, or that virtue is its own reward, they come out bitterly against it. They label it square, or cornball, or schmaltz, or whatever the current term happens to be in their own formula — ridden code of criticism.

However, if the play says the rich are rotten, or that all men who carry lunch buckets are on the side of the angels, they come out wildly enthusiastic about it — especially if it is so obscure they don't quite understand it. They call it socially significant, or psychologically sound, or whatever their current jargon of praise calls for.

I say nuts! It is a pretty good world, here on this continent. Father usually does know best, honesty IS the best policy, and virtue is its own reward.

So keep the globe a-spinning, Lord. Some of us ordinary folk want to stay on!

Grass Fire

A grass fire on the property of Mr. Gerald Fraser necessitated calling the Sidney Township Fire Brigade on Tuesday afternoon. It is not known how the fire started as the Fraser family were at their place of business at Glen Ross. A neighbour noticed it and turned in the alarm.

The complete decorating of the inside of the Church with Easter lilies and cut flowers made a fine setting for the Sunday afternoon church service conducted by the pastor, Rev. P.

LEGION NOTES

Branch No. 228 held a most successful church parade last Sunday. Some 24 Legion members paraded to St. Paul's United Church for Sunday morning worship. The Legion were accompanied by a good turnout of the Robert Cooke Chapter of the I.O.D.E. The officers and members of the Stirling Branch wish to express their appreciation for the warm welcome extended by St. Paul's.

Eight members of our local branch journeyed to Picton on the week-end to attend the Zone meeting. All members of the local delegation report that it was a most enjoyable meeting. As a result of the balloting, we now have a new Zone Commander in the person of Comrade Jack Rashotte, of Tweed. The members of the Stirling Branch join in wishing Comrade Jack all the best as he assumes his new duties. At the same time, the Branch wishes to congratulate and thank Comrade D. C. McVicker for his devoted work as Zone Commander over the past several years.

All members of Stirling Branch are

advised of the forthcoming business meeting of Branch No. 228 to be held in the Legion Hall on Tuesday, May 7th. The meeting will start at 8.15 p.m. and a good turnout of Legion members is urged. Several important items of general business are on the agenda. Please make a note of the date, Tuesday, May 7th at the Legion Hall.

Once again, the Legion will stage a mammoth fireworks display at the Stirling Fair Grounds on Monday, May 20th. This will mark the first holiday of the summer season, and it promises to be another outstanding attraction. In the past, the fireworks show has featured aerial fireworks only, however, this year plans have been made to include an outstanding display of ground fireworks. This will be the first time this feature has been included in a local show.

The Legion has been in personal contact with representatives of the T. W. Hand Chemical Co. and arrangements are completed to include in the display some of the best types of ground displays. Some of these displays carry interesting names, such as The Cross of Gold, Paradise Battery, Wheel of Sirens and the Snow Carnival Bombardier. The Legion is doing its very best to provide an interesting and varied programme.

In past years the fireworks show has been financed through the generous contributions of local and district residents. It is hoped that once more

local citizens will give this project their support. Arrangements are now being completed to make a canvass of the Village for donations to the Fireworks Fund. Full details will be announced in the News-Argus next week. As in the past, admittance to the grounds will be \$1.00 per car. Any donation to the fund of \$1.00 or more will entitle the donor to a ticket of admission for his car and passengers.

An additional feature is being planned for the Fireworks Show on May 20th, however, at present arrangements have not been completed. It is hoped that we can announce this feature next week.

Rural residents who may wish to make a donation to the Fireworks Fund may leave same with either George Noble or Doug Patterson who will be pleased to see that a ticket of admission is given in return for any donation of \$1.00 or more.

In the past, the Fireworks display has been a most successful feature of the Victoria Day holiday. It has provided an exciting and interesting display for hundreds of local and district children. The display is fired under the safest conditions and the show is supervised in every detail. In sponsoring the Fireworks show, the Legion feels it is helping to provide a safe and enjoyable display for all our boys and girls. Your generous support makes it possible.

St. Paul's Y.P.U.

Monday evening St. Paul's Young People's Union held their weekly meeting. After the business was discussed a short game of shuffleboard was enjoyed. John Hommersen thanked the speaker.

Firth Bateman provided a couple of parlour games, following which a delicious lunch was served. Taps was sung to close the meeting.
